

## Mazzy Star "Happy"

Field of light  
They hold me inside  
Count my stars  
They're all lucky in the sky  
There's a time  
When you go off of light  
And all my things look like someone else's memories  
Cold outside  
Burns a great big hole in my heart  
I just wait till you're happy  
And your smile makes it bright  
It makes it bright  
Sleep inside  
Ocean has miles  
It shimmers and it glows  
For some people, I know it shines  
I know it shines  
Stay inside  
Don't colors me blind  
They hold me inside  
Count my stars  
Let them shine  
I know they shine
