She's a black widow best friend
Cold as the cock of a colt 45
She fled the scene, she shed the sheets
And sold the movie rights
She swore before her chastity
With tongue and burning cheek
But fiction can be fun, fiction can be nasty fun

Oh no no no no, you better watch your back
Cause x's can't be o's
Oh no no no no, you better watch your back

Goldmine valentine, my bankroll butterfly
She'll steal your heart and make you proud
Right before she sells you out
Goldmine valentine, makes out with open eyes
She'll steal to save her skin
And she steal your heart again

She's a front page fold out million dollar mouth
With a story ripe to tell
But she hates to read, she moves much better
Up and down than side to side to side
She's famous for the fashion of
Her backseat bedroom action can be fun
Her backseat can be...(such a nasty)

Oh no no no no, you better watch your back
Cause x's can't be o's
Oh no no no no, you better watch your back

Goldmine valentine, my bankroll butterfly
She'll steal your heart and make you proud
Right before she sells you out
Goldmine valentine, makes out with open eyes
She'll steal to save her skin
And she steal your heart again

Oh no no no no you better watch your back

She's my goldmine valentine, my bankroll butterfly
She'll steal your heart and make you proud

Right before she sells you out
Goldmine valentine, makes out with open eyes
She'll steal to save her skin
And she steal your heart again

Goldmine valentine
She'll steal your heart and make you proud
Goldmine valentine
My bankroll butterfly
Makes out with open eyes
Goldmine valentine
