I'm tired of living this way  
The same way day after day  
With no hope of finding tomorrow  
I've had to suffer the shame and I have no one to  
blame  
I'm the cause of my every sorrow  
I don't even recognize the face I hide  
Cause everything I've tried left me hallow inside

Will You save me?  
I'm in too deep  
I'm in slavery  
I've been lulled to sleep  
By the very thing I hate so much  
Will You take me?  
You're the only one

I've had a million regrets  
Things I will never forget  
My sin has cost me almost everything  
I can't even lift my head to call Your name  
And my sin just wants to comfort me  
I'm so ashamed

Will You save me?  
I'm in too deep  
I'm in slavery  
I've been lulled to sleep  
By the very thing I hate so much  
Will You take me?  
You're the only one

I can't believe all the years I've spent seeking after lies  
Now I know the truth  
It is found in You  
Only You can satisfy  
You can satisfy

Will You save me?  
I am in too deep  
I'm in slavery

I've been lulled to sleep  
By the very thing that I hate so much  
Will You take me?  
You're the only one

Will You save me?  
I am in too deep  
I'm in slavery  
I've been lulled to sleep  
By the very thing that I hate so much  
Will You take me?  
You're the only one
