Its called Everyone is not Perfect

Have you ever seen the sky so butifull
Full and wonderfull
It's amazing I'm still alive
Here with my friends
Singing this song

This isn't a song were everyone is perfect
Neither is aniamils
It's just rough
But that's life

Now back to life no dreaming land
And butiful colors
Butiful aniamals
Mhmmmmmmmmmmhmmm

This isn't a song were everyone is perfect
Neither is aniamils
It's just rough
But that's life
This isn't a song were everyone is perfect
Neither is aniamils
It's just rough
But that's life

La la la la

Tell me is it hard beinging me

This isn't a song were everyone is perfect
Neither is aniamils
It's just rough
But that's life
This isn't a song were everyone is not perfect
Neither is aniamils
It's just rough
But that's life
