Forever friends
Livin Life together
Yeah yeah yeah yeah
Never say never again
Cause were forever friends (Friends x6)

Tell secerts to each other
And we never let them out
Noo no never or ealse
Friend ship can start
But friend ship can end

We shop till we drop (that's fo sure)
Do everything together
We buy close, jewlery
Purses and more
But most inportant
We do it together

Tell secerts to each other
And we never let them out
Noo no never or ealse
Friend ship can start
But friend ship can end

Friend
Woh don't mess with us no
Cause nothingcan pull us apart

Tell secerts to each other
And we never let them out
Noo no never or ealse
Friend ship can start
But friend ship can end
(Forever friends x9)
