Owww if you could read my mind
I would tell you I love you ohh
But when I feel you I feel like I'm gone with you
I don't undersand...

What happend to are realashion ship
I thought we had something
Real
And I knew you said some thing
But I said badder
And I miss you because your gone
Your very gone

When I herd the bad news I felt like dieing
But when I herd even badder
It just happen You'll find out when I undersand this

What happend to are realashion ship
I thought we had something
Real
And I knew you said some thing
But I said badder
And I miss you because your gone
Your very gone

Why did I kill myself I wasn't selfish diseve this and I
new it
