Hilary&Hidey;

To see you when I wake up, is a gift I didn't think could
be

Real

To know that you feel the same, as I do, is a Three-fold
utopian

Dream

You do something to me

That I can't explain

So would I be out of line, If I said

Coures Together

I miss you.

I see your picture, I smell your skin on, the empty pillow
next

To mine

You have only been gone ten days, but already I am
wasting away

Hey hey hey hey hey hey

Haley&Hayden;

I know I'll see you again

Whether far or soon

But I need you to know, that I care

And I miss you So would I be out of line, If I said

Coures Together

Together

Hey hey hey hey hey hey hoawww

Together

Coures
