I dig my toes into the sand.
The ocean looks like a thousand diamonds strewn
across a blue blanket.
I lean against the wind, pretend that I am weightless
and in this moment I am happy, happy.

[Chorus:]

I wish you were here
I wish you were here
I wish you were here
I wish you were here.

I lay my head onto the sand.
The sky resembles a backlit canopy with holes punched
in it.
I'm counting ufo's.
I signal them with my lighter
And in this moment I am happy, happy.

[Chorus]

The world's a roller coaster and I am not strapped in.
Maybe I should hold with care, but my hands are busy
in the air.

[Chorus]
