You left me here to rote
And so I just let you go
And never again do I want you
Tell me everything you did with her
Cause it could make a good lie!

I don't want to see you again
I never want to kiss you again
I'll never see you again
I don't want you to need me
I'll Never see you again

I'll never want you there
When I break down
I'll never need you there
When I cry
Never never
I'll never see you again!

I don't want to see you again
I never want to kiss you again
I'll never see you again
I don't want you to need me
I'll Never see you again

Don't stop now keep movin on
Like I am
Yeah

I don't want to see you again
I never want to kiss you again
I'll never see you again
I don't want you to need me
I'll Never see you again
I don't want to see you again
I never want to kiss you again
I'll never see you again
I don't want you to need me
I'll Never see you again
La la la la la yeah
I'll never see you again!
