When the day goes past
I'm looking out
While everyone is lookin in
I don't know what I did to be missed out
And I know it's only me being discluded

Wow everyone is looking at them
While I'm invisible
Uh nobodys helping me
Because I'm invisible
Invisible(yeah)

I'm in a coner
While Everyone is looking at them
And they see me crying
And they don't care
And they think it's funny to hurt someone
So they laughed

Wow everyone is looking at them
While I'm invisible
Uh nobodys helping me
Because I'm invisible
Invisible(yeah)

(sing high)
Hold on stop this
I must be dreaming Oh oh
Please get me out of here oh oh wow wow oh oh oh

Wow everyone is looking at them
While I'm invisible
Uh nobodys helping me
Because I'm invisible
Invisible(yeah)

Uh oh uh oh yeah yeah uh oh
