Hilary&Hayden;  
This is enough to make me cry.  
No kid should have to go through this....  
Read and thank God that you don't have a  
Life like his. No child has the right to go through this  
pain...

My name is Chris. I am three, my eyes are swollen,  
I cannot see, I must be stupid, I must be bad, what  
Else could have made my Daddy so mad? I wish I  
Were better. I wish I weren't so ugly. Then maybe my  
Mommy would still want to hug me. I can't do a wrong.  
I can't speak at all. Or else i'm locked up all day long.

Hidey&Haley;  
When i'm awake i'm all alone. The house is dark.  
My folks aren't home. When my mommy does come  
home.  
I'll try and be nice, so maybe i'll just get one whipping  
tonight.  
I just heard a car. My daddy is back from Charlie's bar. I  
hear  
Him curse. My name is called. I press myself against  
the wall.  
I try to hide from his evil eyes. I'm so afraid now. I'm  
starting to  
Cry. He finds me weeping. Calls me ugly words, he  
says its my  
Fault he suffers at work. He slaps me, hits me, and  
yells at me more.

Together  
I finally get free and run to the door. He's already  
Locked it and I start to bawl. He takes me and throws  
Me against the hard wall. I fall to the floor with my  
bones  
Nearly broken. My daddy continues with more bad  
words  
Spoken. "I'm sorry!", I scream. But it's now much too  
late,  
His face has been twisted into a unimaginable shape.  
The  
Hurt and the pain.

Together  
Again and again. O please God, have mercy!  
O please let it end! And he finally stops. And  
Heads for the door. While I lay there on the floor  
Motionless sprawled on the floor. My name is Chris.  
I am three, tonight my daddy murdered me!
