No sexual intercourse (3x)  
Intercourse(2x)

Hey they want us  
But all they want out of us  
Is sexual intercourse  
But that's not going to happen

No sexual intercourse (3x)  
Intercourse (2x)

La la la  
They want our bodies not  
Our personalaties  
Boys like girls with skeeny  
Legs  
And they only want sexual intercourse  
So we say

No sexual intercourse (3x)  
Intercourse (2x)

La la la la la  
Yeah

No sexual intercourse (3x)  
Intercourse(2x)  
No sexual intercourse (3x)  
Intercourse(2x)  
No sexual intercourse (3x)  
Intercourse (2x)  
Yeah!
