Na la na la na
Yeah Oh
Stupid is a word of shame
And all the love that we need is gone
And I'm just stupid, supid

Stupid to love you
And my heart is in two
Now me and my friends want to kill you
Yeah because I'm, I'm
Stupid to love you

Stupid can take away love
You just take away love
And I just want someone there
Who will love me and not break
And I'm just supid, stupid

Stupid to love you
And my heart is in two
Now me and my friends want to kill you
Yeah because I'm, I'm
Stupid to love you

Yeah now I'm in a wierd place just because of you
Yeah I'm stupid to love you

Stupid to love you
And my heart is in two
Now me and my friends want to kill you
Yeah because I'm, I'm
Stupid to love you

Oh wah owh la la yeah oh
