There is a only world it's sittin there one  
And only witch is lonley on anoucments come  
And she hear's it on the phone owa

She an't the smates girl you think she is  
Ohh no no She likes to sing and act and  
Do a little dance and take it away oh oh yea

She is the girl I thought she never  
Would be but when i talk to her voice  
Is like angle  
I love her to much to be pulled  
Away

I an't the smates girl you think I am  
Ohh no no I likes to sing and act and  
Do a little dance oh oh yea

She an't the smates girl you think she is  
Ohh no no She likes to sing and act and  
Do a little dance and take it away oh oh yea

If you can't aceppt who I am  
Inside me you've gonna have  
To go yea Let me go let go  
Let go yea

She an't the smates girl you think she is  
Ohh no no She likes to sing and act and  
Do a little dance and take it away oh oh yea

If you are the one than aceppt who  
I am Oh yea owaa

I an't the smates girl you think I am  
Ohh no no I likes to sing and act and  
Do a little dance oh oh yea

Take it away take it away  
Take it away take it away  
Take it away take it away  
Take it away take it away
