Some days so far away a little girl  
Sits at home waitin and waitin for momma  
There is nothing a little girl can't figure out  
With her momma hidin behind that mask  
Oh yea aww oh

The little girl sitin at home  
Waitin and waitin for her  
Momma  
Waitin for her to sing her a lullaby  
Good night

Oh ohh yea  
She was sitin home holdin tight on  
She wished her momma would  
Come home There is nothing a little girl can't figure out  
With her momma hidin behind that mask  
Oh yea aww oh Nobody knows what she's holdin on  
Oh yea umm oww mu ua yea

The little girl sitin at home  
Waitin and waitin for her  
Momma  
Waitin for her to sing her a lullabye  
Good night

Open your eyes see you what you done  
There is nothing a little girl can't figure out  
With her momma hidin behind that mask

The little girl sitin at home  
Waitin and waitin for her  
Momma  
Waitin for her to sing her a lullabye  
Good night

The little girl sitin at home  
Waitin and waitin for her  
Momma  
Waitin for her to sing her a lullabye  
Good night

Waitin' and waitin'
