Is it really hard to concentrat what's going on
No no no eah yeah
Don't move
Don't speak even whisper
Don't make a sound because
It's

Today afternoon tonight
Tonight today afternoon
Yeah yeah
That really all we got is
Today afternoon tonight

Yeah no no
Yeah no no no no
Please tell me we will see dark
We will see day sun
Mabe not
Mabe yeah yeah yeah yeah

Today afternoon tonight
Tonight today afternoon
Yeah yeah
That really all we got is
Today afternoon tonight

Tonight day time today

Today afternoon tonight
Tonight today afternoon
Yeah yeah
That really all we got is
Today afternoon tonight
