He don't know what I feel is real
I don't even want him to know
My friends pull me through the dark patches
And even through life

Try try try to tell him
Try try try to tell him
But I hold back and hard
But I keep on trying

My friends tell me to tell him but I'm just nerves
It hard you know
It's hard to tell
That I love him so much
And I hope you unders that I

Try try try to tell him
Try try try to tell him
But I hold back and hard
But I keep on trying

Tell me sould I
Or not if I do
What if he doesn't love me back
What will I do...

Try try try to tell him
Try try try to tell him
But I hold back and hard
But I keep on trying

Oh oh yeah yeah yeah

Try try try to tell him
Try try try to tell him
But I hold back and hard
But I keep on trying
Try try try to tell him
Try try try to tell him
But I hold back and hard
But I keep on trying

Yeah.....
