What do you think of me?"

Do you think I'm

Crazy about chyou? (2x)

It takes 3 wishes to

Relize I love you But I have

One queshtion for you

(Cours)

Who are you with today?

Yea Yea if you want me to play

You have to prove to me you

Will not surrender to me like you

Were saying when walked out the

Door.

Wishes I told

You leaft me and I would grow

And no act like your not 3 months old

So I've got one queshtion for you

(Cours)

Who are with today?

Yea Yea if you want me to play

You have to prove to me you

Will not surrender to me like you

Were saying when walked out the

Door.

Who are you with today?
