When I felt so free
You had to come back
Unanosed allright
Is it hard for you to compremis

With you the pieces of me is with you
With you yeah are with you
When you gone I feel alone
But when I'm with you I feel good

Yeah I hate to admid it but it's true
Yeah I can't help it
I love you
With all my heart

With you the pieces of me is with you
With you yeah are with you
When you gone I feel alone
But when I'm with you I feel good

Woh woh woh with you with you

With you the pieces of me is with you
With you yeah are with you
When you gone I feel alone
But when I'm with you I feel good
