I'm gonna kick 'em out!

Well i feel pretty good and i guess that i could
Get crazy now baby
And we all got in tune when the dressing room
Got hazy now baby
I know how you want it child
Hot sweet and tight
The girls can't stand it when you're doin' it right
Let me up on the stands
And let me kick out the jams!
Kick out the jams

I have to kick 'em out!

Yes i'm starting to sweat, you know my shirt's all wet
What a feeling
And the sound that abounds and resounds and
rebounds
Off the ceiling
You gotta have it baby you can't do without
And when you get the feeling you got to sound it out
Put that mic in my hands
And let me kick out the jams!
Kick out the jams

I got to kick 'em out!

So you got to get it up, you know you can't get enough
Miss mackenzie
Well it gets in your brain and drives you insane
It's a frenzy
The wailing guitars, girl
And the crash of the drums
Make you wanna keep a-rockin 'til
Morning comes
Let me be who i am
And let me kick out the jams!
Kick out the jams

I done kicked 'em out!
