Oh now, yeah, yeah
Hey, hey, hey, hey, yeah
I see you lyin' here
You're so close, you're so near

Causing sensations rollin' through me
Comes on strong, feels just like a spell
Sensations rollin', turnin' from me to you
Causing this aura of heat to swirl

Your lips, your undulating hips
Squeeze me, oh so tight
Fulfill me through the night

Causing sensations rollin' through me
Comes on strong, feels just like a spell
Sensations rollin', turnin' from me to you
Causing this aura of heat to swirl

Yeah
(Comes on strong)
Yeah baby, baby, baby, baby, baby
(Comes on strong)
Don't you know my blood is raging?

(Comes on strong)
Darling, darling, darling, darling
(Comes on strong)
I'm tired of all my failings
Bring me close and burn, burn, burn

Heat gives way to sweat
My body's soaking wet
We slide and slip from hip to lip

Causing sensations rollin' through me
Comes on strong, feels just like a spell
Sensations rollin', turnin' from me to you
Causing this aura of heat to swirl

Yeah, yeah, yeah, yeah
Oh baby, baby, you'll always make me hot

Come on and gimme all you've got

Yeah, yeah, yeah I, yeah, yeah
I, I, I, yeah, yeah, yeah, yeah
