Back in Lincoln park where I was mostly raised
Hanging around town where I got totally crazed
Surrounded by bitches who wouldn't give it in
Who thought that getting down was an unnatural sin
I'd whisper "Baby baby help me, feel like I'm gonna
must
I need a healthy outlet"

For my teenage lust
Yes I do now baby
For my teenage lust
Do something

Moved into the city to improve my chances
Chased them at the bars and grabbed them at the
dances
They'd huggy snuggle kissy but they'd never go all the
way
They'd cringe like in terror when they hear me say
"Baby baby help me, you really really must
I need a healthy outlet"

For my teenage lust
Yes I do now baby
My teenage lust won't
Let away much longer

I really need release
Means so much to me
How can a young Midwestern boy
Live in such misery?
Misery, misery no

Then one day I had the perfect plan
I shake my ass and scream "Get a Rock 'n' Roll band"
From now on there'll be no compromising
Rock 'n' Roll music is the best advertising
Baby I can help you, you know I got the guts
I'll be the healthy outlet for your teenage lust

Come on darling come on baby
This teenage lust is driving me crazy

I gotta have it baby, I can't do without
When I get the feeling I got to work it out

I ain't got no time, for messing around
Come on girl you've got to get down
Come on darling come on baby
This teenage lust is driving me crazy
