## First Verse

Sittin' In The Classroom  
Feel Your Heart Goin' Boom  
You Start To Get The Feelin'  
And Your Head Begins To Reelin'  
And Ya Can't Hear What The Teachers Say  
Because The News Is Going Down  
About The Rock And Roll Dance In Town  
And You Know I Just Gotta Hear That Band Play

## Chorus

Tonight X 6, Oh Tonight

## Second Verse

Well, Tuesday Got The Letter  
The Army Thinks I Better  
Get Myself Down There Right Away  
It's Not That I'm Lazy  
I'm Just Too Crazy  
To Be Goin' Doin' Things That Way  
Because The Kids Will Be In Town  
And The Jams Will Be Going Down  
I Wanna Do Things The Natural Way

## Repeat Chorus

## Bridge

Every Day You Can Hear 'em Say  
Ya Gotta Get Down In The Usa  
Ok Kids  
It's Rockin' Time

## Guitar Solo

## Repeat Bridge

## Third Verse

Sun Starts Goin' Down  
I Call My Girl Up On The Phone  
I Said I'll Pick You Up At Eight  
At Last We'll Be Alone  
I Hop In My Machine  
You Know I Gotta Make The Scene

Dancin' Through The Crowd  
Say The People Goin' Wild  
When The Bands Really Rockin'  
There's Just No Stoppin'  
My Girl Begins To Twirl  
The Room Begins To Whirl  
It's Outta This World  
It's Outta This World

Repeat Chorus

Hey Now Everybody I Gotta Get Movin'  
I Gotta Muscle Me Up Some Action  
Well I'll See You All Later  
Well Bye Bye
