She walks, right through my eyes
And I see her behind blue eyes
Keeps me dreaming
Of our desert land, our never land. Watch as we grow old.

And do we dream do we dream enough for you?
Do we dream do we dream enough for you.
This aint how it's supposed to be baby
Don't be dry don't be shy now oh gosh darnit.

This two sided dream oughtta be the same two hearts
Broke untrusting. And do we dream do we dream
enough for you?
Do we dream do we dream enough for you?
Do you know where I put my head I seem to lose it?
Do you know where I put my heart? I seem to lose you.

Stay awake. Dreams have lost their fun. Keep your head
up baby don't be curious
Stay awake. Dreams have lost their fun. Keep your head
up baby don't be curious

Through my eyes when I blink and
Miss her blue skies, keeps me dreaming
Of our desert land our never land watch as we grow old

And do we dream do we dream enough for you?
Do we dream do we dream enough for you.
This aint how it's supposed to be baby
Don't be dry don't be shy now oh gosh darnit.

This two sided dream oughtta be the same two hearts
Broke untrusting. And do we dream do we dream
enough for you?
Do we dream do we dream enough for you?
Do you know where I put my head I seem to lose it?
Do you know where I put my heart? I seem to lose you.

Stay awake. Dreams have lost their fun. Keep your head
up baby don't be curious
Stay awake. Dreams have lost their fun. Keep your head

up baby don't be curious

I feel like I'm dead.

Oooo you're good for love?

I wish you'd stop right now!

WHITE DREAMS OF HOLLAND!

Stay awake. Dreams have lost their fun. Keep your head

up baby don't be curious

Stay awake. Dreams have lost their fun. Keep your head

up baby don't be curious
