Ooooooohhhhh! Don't smoke Jerry's eyebrows
They're sure to make you weep and frown.
And they we know that it's no fun,
Because the secret ingredient is a bottle of rum!

Ooooooohhhhh! Go down to the liquor store and pick
me up a couple o' more.
But on your way be sure to have lots of fun but don't
forget
A bottle of rum!

And most of you already know
We've gone completely psycho.
Because we had a little too much fun
With one little bottle of rum...

RRRRRRRRRRRRRRUUUUUUUUUUUUUUUMMMMMMMMMMMMMMMMMMMMMMMMMMMMM!!!!
Rum rum rum rum rum rum rum rum rum rum rum rum
rum rum rum rum
