They talk to you like you're scum
And all you can do is smile and say
"I'm sorry for what I've done."
But why should I be sorry when you're doing the same
You make up some sad story
Your excuses are so lame
The first step in change is admitting you were wrong
HATRED
DISUNITY
Is all you've brought along
Treat me with respect
I'll treat you the same way back
Under all this pressure
One of these days I'm gonna crack
You may be bigger you may be older you may be
stronger too
But that doesn't mean I'm less of a person
THAN YOU!
