You are the one
I don't know you but I know
You are the one
In my local history
I have a feeling that we will be crawling on our knees
tonight while someone is calling

Tonights the night
Tonights the night
Tonights the night
Tonights the night

And everything is gone
And we're all alone
Something is gone wrong
But I know that we're the ones
We are the ones

I don't know what to do
While I'm getting through
I know it is bad
But there's nothing I can do for you
Tonights the night
And we'll get in a huge fight
I know it's time to go
But you gotta get the facts right

Tonights the night
Tonights the night
Tonights the night
Tonights the night

And everything is gone
And we're all alone
Something is gone wrong
But I know that we're the ones
We are the ones

We are the ones
We are the ones
