It's that noise again, I hear it every day  
It's that noise that makes me just want to smash my  
head against my bed post  
Shove a pen into my ear I hope it hits my brain  
Who said I had to get up this early to learn anyway?

Corporate whores that walk these halls  
Teacher's death grip on my balls  
Chain me to a desk and teach me how to be  
Just like you  
Call this a place to learn  
I would rather watch it burn  
Taxes pay to jail us all  
Someday I'll be outside these white walls.

Staring at the clock trying to pass the time.  
Pure white surroundings make me feel like I'm  
In some kind of institution rather than a so  
Called school, a nicer name these days for jail.  
I gotta get outta here, I'm going crazy.  
I'm GOING CRAAZY!!

Corporate whores that walk these halls  
Teacher's death grip on my balls  
Chain me to a desk and teach me how to be  
Just like you  
Call this a place to learn  
I would rather watch it burn  
Taxes pay to jail us all  
Someday I'll be outside these white walls.
