La la la la la, la la la la la
La la la la la la, la la la la la
I said la la la, just one more time

Come and get your soul
Get it ready to go
I said get your girl now
Get her ready to go
I said la la la, just one more time

Clap your hands
I said clap your hands
Oh, you better
I said clap your hands
I said la la la, just one more time

La la la la la, la la la la la
La la la la la la, la la la la la
I said la la la, just one more time

La la la la la, la la la la la
La la la la la la, la la la la la
I said la la la, just one more time

La la la la la, la la la la la
I said clap your hands now
La la la la la, I said la la la,
Just one more time
