Brothers

The abyss is before me

My time is fading

While I'm trying to dive

Don't cry for me

Because I'm already dead

Only my body still lives

Just blood, flesh and tears

Just blood, flesh and tears

Guitar Solo (Ste)

Falling

In the end I will be fine

Let the Dark Lady embrace me sweetly

As a swan's last rhyme

Don't cry for me

Because I'm already dead

Only my body still lives

Just blood, flesh and tears

Just blood, flesh and tears

Guitar Solo (Phil)

Since I'm gone

I'm finally free

A new light is above me

And I will rise...forever
