I'm trembling at the knees  
I'm drooling at the mouth  
I open up my gob and then nothing comes out  
HEY  
I've got a new car (oh oh oh oh)  
Lets go for a ride  
You know I'm not very skilled at the art of seduction  
You could stamp it on my forehead and I still wouldn't  
catch on  
Why can't you see (oh oh oh oh) what you're doing to  
me  
You know you are my fantasy  
You make me really tingly  
And I want to be want to be  
I want to be your fantasy  
You know I can be sexy when I want to be want to be  
The temperature is rising (rising, rising)  
But you're as cold as ice  
I said, I'll stalk you at night (oh oh oh oh)  
If you put up a fight  
You know my girlfriend, she doesn't know a thing  
Pure ignorance is such a beautiful thing  
You put on this voice like I had a choice  
You know, you know, You are my fantasy...  
YOU ARE MY FANTASEEEEE  
So I give this a go HEY HEY  
So I give this a go HEY. So give this a go HEY HEY  
So give this a go... La la la la la la ooh ooh la la la la  
la la ooh ooh  
You are my fantasy...  
You fill my dreams up at night  
These sordid thoughts just ain't right  
I love the girl that I'm with I which I find hard to admit  
You can't speak english I know, so I will talk nice and  
slow so we can figure this out before we give this a go  
The clothes you wear they don't fit  
The local girls they feel sick cause their boys have their  
eye on this foreign delight  
From all these pointless refrains I guess that all that  
remains for me to push how I feel and make this  
fantasy real  
I've got a pain in my head to think of things that I've

said to get your hormones on fire for burning want and  
desire  
Unanswered actions of men, these injured egos give in  
to find another release and pornographic disease
