Well, it's a long, lonesome road  
Through the lifetime of a trucker  
But me and my good ol' friend here  
We gonna make it

It's a long-haulin' road  
And the load of life is heavy  
But me an' this good ol' truck  
We gonna take it

Through the wind an' rain an' thunder  
'Til the stormy skies are blue  
An' the sunrise lights the highway  
Headin' home

Well, it's a long lonesome road  
Through the lifetime of a trucker  
But me and this here ol' truck  
We gonna make it

Well, it's a long lonesome road  
And the miles of life are many  
But me an' these eighteen wheels  
We gonna take it

It's a long way to go  
And the road ahead is troubled  
But this ol' rig and me  
We gonna make it

Through the wind an' rain an' thunder  
'Til the stormy skies are blue  
An' the sunrise lights the highway  
Headin' home

It's long lonesome road  
Through the lifetime of a trucker  
But this ol' truck and me  
We gonna make it

Yeah, me and this good ol' friend  
We gonna make it
