Scattered away is where they're going,
At the thought of the next thing coming.
So hide away where they least expect it, and there
you'll fit right in.
So go sit in the corner,
And think about what you did.
Let it all sink in it'll all fade out.
(Let it all sink in, it'll all fade out)

Step 1, we take some vitamins,
Step 2, I'll never fake these feelings,
Step 3, yeah this is how I feel.
Step 1, we take some vitamins,
Step 2, I'll never fake these feelings,
Step 3, yeah this is how I feel.

Scattered away is where they're going,
When you were coming.
They wont find,
A place to hide,
Where we wont ever find them.
So go sit in the corner,
To think about what you did.
Let it all sink in it'll all fade out
(Let it all sink in, it'll all fade out)

Step 1, we take some vitamins,
