Iâ€™m gonna wake you up early  
Cause Iâ€™m gonna take a ride with you  
Weâ€™re going down to the honda shop  
Iâ€™ll tell you what were gonna do  
Put on a ragged sweatshirt  
Iâ€™ll take you anywhere you want me to

[Chorus]

First gear (honda honda)  
Itâ€™s alright (faster faster)  
Second gear (little honda honda)  
I lean right (faster faster)  
Third gear (honda honda)  
Hang on tight (faster faster)  
Faster (itâ€™s alright)

Itâ€™s not a big motorcycle  
Just a groovy little motorbike  
Itâ€™s more fun than a barrel of monkeys  
That two-wheel bike  
Weâ€™ll ride on out of the town  
To any place I know you like

[Repeat Chorus]

It climbs the hills like a matchless  
Cause my hondas built really light  
When I go into the turns  
Lean with me and hang on tight  
I better turn on the lights  
So we can ride my honda tonight

[Repeat Chorus 3x]
