Love is for singing this little tune  
Love is for rhyming odd things and moon  
Love is for writing songs that end in June  
Love is for knowing I'll see you soon

Love is for writing songs with mushy lines  
Love is for singing these lines in rhyme  
Love is for making memories of time  
Love is for knowing you'll soon be mine

### CHORUS

Love is for silly silly things  
That you never think of doing  
And all in a sudden little  
Things have bigger meanings  
It's getting up at night  
And climbing up a tree so high  
And then you try and touch  
The sky and you ask  
Why, why, why, why...  
It's getting up at night  
And climbing up  
A tree so high  
And then you try  
And touch the sky  
And you ask

Love is for answering this crazy crazy  
Questions Love is for getting to the answers  
Through emotions 'Cause love is a wonder and it's thrill  
When you're under  
It's spell your hearts beating thunder  
Because she's there ohh - hoooh -  
Love is a wonder and it's a thrill when  
You're under it's spell your hearts beating thunder  
Because she's there

(Love is for singing)  
(This little tune)  
(Love is for knowing)  
(I'll see you soon)  
Let me tell you 'bout love

(Love is for singing)  
(This little tune)  
Let me tell you 'bout love  
(Love is for knowing)  
(I'll see you soon)  
Let me tell you 'bout love...
