I talked to my baby on the telephone
Long distance
I never would've guessed
I could miss someone so bad, yeah
I really only met her 'bout a week ago
But it doesn't seem to matter to my heart
I know that I love her
I'm hoping that I'll never recover
'Cause she's good for me
I know it's going to make me happy
To never let her slip away

Never, never
Never let her slip away)

I feel like a kid with a teenage crush
On a school day (on a school day afternoon)
I feel like the lead in "Romeo & Juliet", yeah
I'm a little bit dizzy, I'm a little bit scared
I guess I never felt this much aware
That I love her
I'm hoping that I'll never recover
'Cause she's good for me
I know it's going to make me happy
To never let her slip away

Never, never
Never let her slip away

I really only met her 'bout a week ago
But it doesn't seem to matter to my heart
I know that I love her
I'm hoping that I never recover
'Cause she's good for me
I know it's going to make me happy
To never let her slip away

Mmmmmm I love her
I'm hoping that I never recover
'Cause she's good for me
And it would really make me happy
To never let her slip away

Oh I know it's gonna make me happy
To never let her slip away

Never, never
Never let her slip away
