I was out of your league
And you were 20,000 underneath the sea
Waiving affections
You were out of my league
At a distance that I didn't wanna see
Down to the bottom

I wanted a junction and often there was one
You'd surface face first and we'd share our thought
bubbles
And I still believe in the phrases that we breathed
But I know the distance isn't fair to cross

I was out of your league
And you were 20,000 underneath the sea
Waiving affections
You were out of my league
At a distance that I didn't wanna see
Wanted you nearer

Your depths made a pressure that punctured my works
and all your fluids couldn't tolerate the force of my
thirst
I love the place where we shared our tiny grace
But because it's real doesn't mean it's gonna work

I was out of your league
And you were 20,000 underneath the sea
Waiving affections
You were out of my league
At a distance that I didn't wanna see
Wanted you nearer

And true affection floats
True affections sinks like a stone
I never felt so close
I never felt so all alone

I was out of your league
And you were 20,000 underneath the sea
Waiving affections

You were out of my league
At a distance that I didn't wanna see
Wanted you nearer
