You and me
We live underground
Where we blow the world today
My hands are free to say
I love you
I love you

Yeah, i do
I love you
It's true
I love you
I love you
I love you
Yeah i do

You and me and the half breath of sight before you
speak
It's a pool of air
You can have me there

I love you
I love you
I love you
Yeah, i do
It's true

I love you uh
I love you uh
I love you
Yeah i do

Nine lives and thirty seven wives
There's a hole down below for every girl and her
clothes

You know
I love them
I love them
I love them
Yeah i do

And you, you love them
You love them
You love them
You love each and every too

You and me in the cave underground
Where we meet and play scrabble
With our flaxen hair progeny
