I'm the mother-in-law  
I sure am mad  
The things said about me  
Have all been bad  
All he did was  
Make my daughter sad  
My no good son-in-law

He's gone all night  
And he's got no job  
Won't comb his hair  
He's such a slob  
Could find him on the corner  
With the rest of the mob  
My no good son-in-law

He sees another woman on the sly  
When he said he loved  
My daughter, how he lied  
He's got no money or anything  
Now the other day, he even  
Hocked her wedding ring

He eats so much  
That we've got no food  
He's got no friends  
Cause he's so rude  
I just can't stand his attitude  
My no good son-in-law

He sees another woman on the sly  
When he said he loved  
My daughter, how he lied  
He's got no money or anything  
The other day, he even  
Hocked her wedding ring

He eats so much  
That we've got no food  
He's got no friends  
Cause he's so rude  
I just can't stand his attitude

My no good son-in-law

That bum

(That no good son-in-law)

Better find a job

(That no good son-in-law)

Can't see why she ever married me

(That no good son-in-law)

She oughta put him out, that's what

(That no good son-in-law)
