When will this heartache end
Why won't it die
How will I love again
Should I even try
She felt so real to me
Guess I was wrong again
Oh someone tell me when will this heartache end

When will my heart be free
To love again
Was I just meant to be
Like another friend
I got this hurting here
For me it just won't mend
Won't someone tell me will this heartache end

Will it be gone with time
Or will I lose my mind
Just how long can it go on this way
I've seen how long it takes
Before a strong heart breaks
And this heart of mine won't take it anymore

When will this heartache end
And set me free
To live and love again
So I can see
That one mistake I made
I'll never make again
I'll have to wait until this heartache ends

I've seen how long it takes
Before a strong heart breaks
And this heart of mine won't take it anymore

When will this heartache end
And let me be
To live and love again
So I can see
That one mistake I made
I'll never make again

I'll have to wait until this heartache ends
Oh me I'll have to wait until this heartache ends
