(Lipscombe)

Just because I asked a friend about her, just because I
spoke her name somewhere,
Just because I dialled her number by mistake today,
she thinks I still care.

Just because I haunt the same old places, where the
memory of her lingers everywhere,
Just because I'm not the happy guy I used to be, she
thinks I still care.

Oh if she's happy thinkin' I still need her, then let that
silly notion bring her cheer,
Oh how could she ever be so foolish, and where would
she get such an idea?

Just because I asked a friend about her, just because I
spoke her name somewhere,
Just because I saw her, then went all to pieces, she
thinks I still care.
She thinks I still caaaaaa-aaaaaaaaaaaaaaare.
