Oh come, come

I love you true

Come, come

I love you only

My heart is true

Come, come

My life is lonely

I long for you

Come, come

None can replace you

My arms are aching

Long to embrace you

My love divine

Come, come

I love you truly

My hero, mine

Come, come

None can replace you

My arms are aching

Long to embrace you

My love divine

Come, come

I love you truly

My hero, my hero, mine
