I am your radio, I am your radio
Big sound cumin' from your radio
Your heart says, yes, but your head says, no, no?
Big sounds screamin' from the back of your car

You're gettin' so close, are you goin' too far
Get ready for the big reaction
You gotta satisfy that thrill
There's nowhere for you to run and you never will, no,
you never will

I am your radio, I am your late night show
I am the rock that makes you roll
I am your radio, I am your late night show
I am the rock that makes you roll

I am your radio, I am your late night show
I am the rock that makes you roll
I am your radio, I am your late night show
I am the rock that makes you roll

Weekends cumin' and you're all fired up
Hot rod stereo's don't stop don't stop
Big sound hits you when the lights are low
So ya wanna hit back let it go

Get ready for the big reaction
You gotta satisfy that thrill
There's nowhere for you to run
Drivin' around with nowhere to go
Tuned into the the radio

Baby, looking for action not words
Cruisin' around just killin' time
Hot on the trail and feelin' fine
All night long lookin' for the scene of the crime

I am your radio, I am your late night show
I am the rock that makes you roll
I am your radio, I am your late night show
I am the rock that makes you roll
