Georgie, Georgie
Georgie, Georgie
Do the Twist with me

Come on and dance with me, Georgie
Come on and dance with me, Georgie
Do the Twist with me, Georgie
Come on and dance with me, Georgie

Go around with me, Georgie
We're gonna Twist
While the beat goes on
Goes on, goes on, goes on

Rock to left with me, Georgie
Now to the right with me, Georgie
You're doing the right thing, Georgie
Come on and dance with me, Georgie

Go around with me, Georgie
We're gonna Twist
While the beat goes on
Goes on, goes on, goes on

Oh, oh, Georgie
Georgie, Georgie, can't you see
What this dance is doing to me
What in the world could this feeling be

Oh, oh, Georgie
Georgie, Georgie, can't you see
What this dance is doing to me
What in the world could this feeling be

Come on and dance with me, Georgie
Come on and dance with me, Georgie
Do the Twist with me, Georgie
Come on and dance with me, Georgie
