Hey honey got seduced by you
That baby put her claws into my heart
My baby a chill runs down my spine
Hey sugar by your infamous smile
My baby jolly favourite waste of time

I never ever wanted you to stay
I never wanted you to go away
Never ever wanted you this way
I never ever wanted you to stay
I never wanted you to go away
Never ever wanted you this way

Hey baby my one and only love
Yeah baby too much ain't enough
Hey honey I guess I shouldn't play so rough
My baby was such a doll
Yeah sugar and i was outta control
My baby plastic porno blow-up soul

I never ever wanted you to stay
I never wanted you to go away
Never ever wanted you this way
I never ever wanted you to stay
I never wanted you to go away
Never ever wanted you this way

Hey baby well the party is on
Hey honey be-bop-a-lula fun
Yeah baby rubber romance all night long

I never ever wanted you to stay
I never wanted you to go away
Never ever wanted you this way yeah yeah
I never ever wanted you to stay
I never wanted you to go away
Never ever wanted you this way

I never ever wanted you to stay
I never wanted you to go away
Never ever wanted you this way this way this way
