Turn the bass up high turn the lights down low  
Party people in the place know it's time to go  
But there's one more thing that you've got to know  
Gonna party all night till we lose control

Turn the bass up high turn the lights down low  
Party people in the place know it's time to go  
But there's one more thing that you've got to know  
Gonna party all night till we lose control

If you knew what's on my mind  
We'd be funk' all the time baby  
Once I get you on the floor  
You'll be callin' out for more tonight  
Cause there ain't no party  
Like a Boomtang party, that's right  
Everybody scream and shout  
Gonna turn this mutha out tonight

Chorus:  
I've got 59 ways to move ya  
59 ways to get through to ya  
And only one chance to lose ya...

Never know just what you'll find  
When I open up your mind baby  
Gonna slip inside your veins  
Put the funk into your brain tonight  
Put your hands in the sky  
Gonna get you so high - come on  
When I hit ya with the sound  
You ain't never coming down tonight

Chorus:  
I've got 59 ways to move ya  
59 ways to get through to ya  
And only one chance to lose ya...

We'll go round and round... (x4)
