Blows, and flows of angel hair,  
And ice cream castles in the air  
And feathered canyons everywhere  
Iâ€™ve looked at clouds that way

But now they only block the sun,  
They rain and snow on everyone  
So many things I wouldâ€™ve done  
But clouds got in my way

Iâ€™ve looked at clouds from both sides now  
From up and down and still somehow  
Itâ€™s cloudâ€™s illusions I recall  
I really donâ€™t know clouds at all

Moons, and tunes and Ferris wheels  
The dizzy, dancing way you feel  
When every fairy tale comes real  
Iâ€™ve looked at love that way

But now itâ€™s just another show  
You leave them laughing when you go  
and if you care, donâ€™t let them go  
Donâ€™t give yourself away

Iâ€™ve looked at love from both sides now  
From win and lose and still somehow  
Itâ€™s loveâ€™s illusions I recall  
I really donâ€™t know love at all

Tears, and fears, and feeling proud  
To say I love you right out loud  
Schemes and dreams and circus crowds  
Iâ€™ve looked at life that way

But now our friends are acting strange  
They shake their heads and say Iâ€™ve changed  
But Some things lost, and some things gained  
In living everyday

Iâ€™ve looked at life from both sides now  
From give and take, and still somehow,

It's life's illusions I recall  
I really don't know life at all

At all...
