"I Wonder Why"

Visit "[I Wonder Why](#)" on MotoLyrics.com

Don't know why I love you like I do
Don't know why I do
Don't know why I love you
Don't know why I care
I just want your love to share

I wonder why
I love you like I do
Is it because I think you love me too
I wonder why
I love you like I do
Like I do

I told my friends
That we would never part
They often said
That you would break my heart
I wonder why they think that we will part
We will part

When you're with me
I'm sure you're always true
When I'm away
I wonder what you do
I wonder why I'm sure you're always true
Always true

Don't know why I do
