Does she love me? I want to know
How can I tell, if she loves me so?
Is it in her eyes?
Oh no, you'll be deceived
Is it in her signs?
Oh no, she'll make believe
If you want to know if she loves you so
It's in her kiss

Is it in her face?
Oh no, that's just her charms
In her warm embrace?
Oh no, that's just her arms
If you want to know if she loves you so
It's in her kiss
That's where it is

Hug her and squeeze her tight
Find out what you want to know
If it's love, if it really is
It's there in her kiss

How about the way she acts?
Oh no, that's not the way
And you're not listenin' to all I say
If you wanna know if she loves you so
It's in her kiss
That's where it is
It's in her kiss
That's where it is

Hug her and squeeze her tight
Find out what you want to know
If it's love, if it really is it's there in her kiss

How about the way she acts?
Oh no, that's not the way
And you're not listenin' to all I say
If you wanna know if she loves you so
It's in her kiss
That's where it is

It's in her kiss
That's where it is
If you wanna know if she loves you so it's in her kiss
