Last night your invitation came to my attention I almost died

The news of your engagement is sending shockwaves

Right through my body deep down inside

How could you be so heartless so very thoughtless

You know how I love you more hear me well

Iâ€™ve gotta come and see you come out and plead this

Iâ€™ve got a feeling you love me still

Oh Jenny baby I say

Is that your fianc e

How could you be so blas e

Oh Jenny baby leave him

Youâ€™re never gonna need him

The only way to treat him

Go and tell him goodbye

Last night I had a nightmare I dreamt that you donâ€™t care say it ainâ€™t true

Tossing and a turning my head was burning

My heart was yearning reaching out to you

My huck a back pillow to get another deal on

Weeping like a willow I felt a chill

Had to come and see you come out and plead you

Cause Iâ€™ve got a feeling you love me still

Oh Jenny baby I say

Is that your fiancÃ©e

How could you be so blasÃ©

Oh Jenny baby leave him

Youâ€™re never gonna need him

The only way to treat him

Go and tell him goodbye
